Step 2: Edit My Vehicles

Add you race cars and reserve your autocross numbers. If you have more than one add them all. If something changes

during the year, change it here.

Add/Edit vehicle:

Year:	▼
Make:	
Model:	
Color:	
Treadwear: [wiki]	Unknown ▼
Requested Number:	
SCCA AutoX Class:	Unknown ▼ Rules [link]
SCCNH AutoX Class:	Stock ▼
NEHA Hillclimb Class:	Regular ▼
NEHA Hillclimb Class:	Unknown ▼ Rules [link]

Click on Add to get this entry screen. Put your vehicle information in. We need to know your SCCA class and your SCCNH class for autocross or your NEHA class for hillclimb.

In autocross, each vehicle in a different SCCNH class must have a different number. Get hillclimb numbers from NEHA.

If you edit a vehicle later, this same screen comes up with a “Save and a “Delete” option.
