This will be another one of Don Taylor's (rallymaster and host) 'great' rallies in the Taylor tradition; hence the number "23". This is a simple, novice T.S.D. Rally with a few 'Taylor' famous *twist* and *turns*. Don has promised a 'fun' drive of 120 miles over some beautiful roads (60% well-maintained dirt roads) and great scenery in the Ascutney area lasting approximately 4 hours. (There is no scheduled lunch break - so you may want to bring a lunch or stop at a convenience store along the way).

'Kevin Young was an SCCNH Club Member and avid rally driver and chairperson who passed away in May 2004. He would have loved this rally! Proceeds from this rally will benefit Kevin's scholarship fund (given annually to a Merrimack Valley High School Graduate). To honor Kevin's memory, wear a little flannel, perhaps some colorful clothes or bandannas. Put a smiley face somewhere on your car, or perhaps wear a duct tape roll bracelet. (A special trophy will be given to the person dressed most like Kevin!)

Ascutney State Park is located on Backmountain Road (Vt. Rte 44A) in Windsor Vt. Watch for signs and balloons. For information or directions, call Don Taylor at 603-542-8549.

Come join us for a fun time in your everyday street car!
