

2011 Awards Banquet by George W Young

On Dec. 3, 2011 the Sports Car Club of N.H. held it's annual year end awards and holiday banquet, we had an unprecedented 62 people attending. As in the past few years, we had the party at the American Legion Post 88 in Loudon, with Harts catering the dinner. They served their usual good meal of turkey and gravy, roast beef, broiled haddock, along with squash, mashed potato and salad. This year we had two desserts-the usual black forest cake, and apple crisp added variety. A anonymous person generously brought in a pumpkin roll as an added dessert choice.

The theme for this year's Yankee Swap was Harbor Freight or Northern Tools. Most of the gifts were along that theme except for a few "rebels" doing their own thing. There were a couple of fleece throw blankets, among them a checkered flag inspired one, that was swapped for quite often.

The trophies for the Auto-X classes were given out along with the Dave Erb Trophy, the Bob Heath Trophy and the Perl and Shirley Benner Trophy. The recipients are listed elsewhere on this site.

The yearly ritual of the transferring of the Presidency was performed with Dave Burden passing the torch on to incoming Prez, Paul Giblin. Many thanks to Dave for his hard work this past year, and good luck to Paul as he picks up for Dave in 2012. gwy

Dave Erb Trophy

Bob Heath Trophy

Pearl & Shirley Benner Trophy
